About Me

🇪🇹 Ethiopian

📅 Date of birth 8/08/2000

I am a Full Stack Developer with a degree in Computer Engineering. I am a person who is enthusiastic, hardworking, and dedicated. Given the ever-changing nature of technology, I am interested in the technology sector and enjoy learning new things on a daily basis. I enjoy real-world problem solving, learning, developing new technologies, meeting new people, and working in a team environment. I also like talking to clients and customers. I am a quick learner with a friendly and outgoing demeanor.

work Experience

Internship at Exceed IT Systems
from jun 2022 to sep 2022

I was responsible to develop the whole application , to work on a team on large projects. I developed a variety of projects which gives me a good understanding of many problem-solving concepts.
